

### STANDARD FEATURES

- Front & Rear LED Work Lights
- More interior room for better operator comfort.
- Exceptional visibility
- Removable doors along with the windows, for year round operation
- Venting Windows
- Contoured top for less snow & water collection
- Tempered Safety Glass
- Rubber isolated cab mounts for less noise & vibration transmission
- 4 Point Seat Belt
- Head Rest
- Interior Light
- Conveniently located switches on roof
- Heavy Duty Front Wiper

Designed to fit the Ventrac 4500 tractors, the KW450 Cab offers exceptional visibility, while providing the operator with protection and comfort in many weather conditions. The optional console heater (available on liquid-cooled engines) will provide hours of warmth while the roomy interior and additional head-space also add to operator comfort.

Featuring tempered safety glass, removable doors, heavy duty front wiper, and interior lighting, the quality and performance you come to expect from Ventrac shines through. Standard with the KW450 cab are LED work lights, removable doors as well as removable side windows for year round operation and driver comfort. The side windows vent to provide air circulation as needed. Rubber cab mounts are used to reduce noise and vibration. The contoured top allows for less collection of snow and water.

### OPTIONAL ACCESSORIES

- Directional Flashers
- Strobe Beacon
- Console Heater
- Exterior Mirrors
- Windshield Defroster Fan
